HKTDC Hong Kong Int'l Lighting Fair (Autumn Edition) 2016 is going to take place October 27-30, to remain the world's most successful trade fair of its kind (photo courtesy of HKTDC).

Light up Your Future with Smart Choices by Visiting Honk Kong Int'l Lighting Fair Autumn Edition 2016

Generate more power for your business with the newest styles and the latest technology at the region's leading trade fair for lighting products. With more than 2,550 quality

exhibitors from all over the world expected at HKTDC Hong Kong International Lighting Fair (Autumn Edition) 2016, 27-30 Oct, buyers will be spoilt for choice. More than 38,000

buyers from 138 countries and regions visited the 2015 fair.

The fair's downtown location, Hong Kong Convention and Exhibition Centre (HKCEC) in Wan Chai, places buyers in the heart of Hong Kong's bustling commercial and entertainment district.

Illuminating the possibilities

With so much on offer, buyers will appreciate the thematic zones which optimise sourcing, including LED & Green Lighting Zone, Hall of Aurora, Commercial Lighting Zone, Smart Lighting & Solutions Zone, Household Lighting, Avenue of Inspiration and etc.

More value in concurrent events

Lighting for outdoor spaces and very specific industrial or commercial situations requires its own trading platform. HKTDC established this by hosting a well-received event, the World of Outdoor Lighting & Lighting Accessories in 2015, and has now refined and expanded the concept to present the first edition of **HKTDC Hong Kong International Outdoor and Tech Light Expo** in 2016.

The Outdoor and Tech Light Expo's venue, AsiaWorld-Expo (AWE), is home to the concurrent HKTDC Hong Kong International Building and Hardware Fair 2016 so buyers, such as town planners, developers, architects, landscape artists, specialist retailers and hardware chains, can find complementary products under one roof.

Themed for Buyer Convenience

The Outdoor and Tech Light Expo covers

a wide range of lighting products and accessories for commercial/ industrial use, categorised for efficient sourcing.

Outdoor Lighting encompasses lighting for public spaces such as lamp poles, street lights and tunnel lights, as well as commercial lighting such as underwater lamps, garden and lawn lights. Buyers can find underground lights, floodlights, bulkhead lights, halogen lamps and track lights as well as flashlights and lanterns.

Lighting Accessories, Parts and Components covers products such as ballast, drivers, fluorescent light fixtures, lamp holders, bases and lamp shades, dimmers, reflectors, switches and transformers.

Professional and Industrial Lighting houses exhibitors of situation-specific lighting, for example, for warehouses, workshops, laboratories, or even for event venues, studios and theatres.

Advertising Lighting includes any lighting related to marketing, promotion and advertising such as signage and billboard lights.

Join In for Maximum Value

Seminars and forums offer buyers updated information on the latest standards and regulations and the newest breakthroughs in lighting technology. Networking events, too, give buyers more value by creating the opportunity to meet industry peers in a social situation.

HKTDC offers exclusive incentive for first-time overseas buyers

For enquiries, please contact Ms Veronique yeung at tel: (852) 2240 4235, or email: hklighting.visitor@hktdc.org

ETG Lighting Offers Wide-ranging LED Commercial Lighting

ETG Lighting Co., Ltd. is a commercial-lighting manufacturer dedicated to LED products, including T5/T8 linear light tubes, down lights, PAR lights, AR111 lights, flood lights, light bulbs, recessed lights, and panel lights.

The company was founded in 1989 in Taiwan and specialized in traditional lighting fixtures, experience from which the maker has gained over 15 years to later expand into the LED lighting field by taking advantage of such expertise.

Among the company's most striking products is a series of high-power outdoor lamps that are ideal replacements for ceramic discharge metal-halide (CDM) lamps. Its candlelight-shaped bulb for chandeliers is another, which meet European standards.

The company builds LEDs from international big-name suppliers into its newly designed products to cater to mid-range and high-end buyers worldwide.

The ISO9001- and TS16949-certified ETG has won UL and PSE approvals on its T8 and T5 light tubes, which are already available overseas. Its other products are TUV and CE certified.

With in-house R&D team and factory, ETG Lighting is able to supply quality, cost-competitive products.

Over the past two decades or so, the company has built solid technical strength, upheld by precision manufacturing equipment, stringent quality inspection, scientific management, and well trained R&D specialists.

Placing strong emphasis on research and development, quality, service and innovation, the company has been able to develop innovative products in tune with global trends and meeting customers' specific requirements.

The company's lamps go to market with its brand "ETG".

YI-HSING LIGHTING CO., LTD.

Spotlights, Downlights, Track Light, Office Lamps, Special-purpose Lights, Wall Lamps, Chandeliers, Ceiling Mounts

Founded in 1980, Yi-Hsing Lighting Co., Ltd. was originally an ODM who manufactures lamp parts, reflectors, and developed molds. After 3 years of improvement of technology, we started to develop commercial lighting using incandescent light bulb, such as ceiling mounts, downlights, and wall light fixture. We steadily develop downlights and spot lights to offer new light sources as low-voltage halogen light fixture and compact fluorescent light fixture. Having successfully developed HQI lighting in 1992, we have been working on R&D of LED lighting in recent years to further improve our commercial lighting products. Increasing capacity year by year while also stressing quality, we have obtained TÜV and GS certifications, also developing global markets actively, mainly exporting to Europe, Latin America, Australia, the Middle East, Southeast ...

Honn Shing was established in 1973 as the Manufacturer & Exporter of Blade holder and Ceiling fan. At the first 5 years, we produce blade holder of ceiling fan only. There are two factories, over 20,000 square meters. From 1978, our company starting to the assembling complete set of ceiling fan and lighting to oversea buyers till today. Our R&D Department test and investigates each new developed model. After their approval, we start to purchase a small screw to every other part before assembly. We carefully assemble every step in our production line and do 100% inspection after it is finished. So that, we made sure the each ceiling fan, lighting is well taken care of and with correct packed before shipment. In 1982, we own a warehouse in Tampa, FL., U.S.A. to stock and control American market and selling ceiling fan and track light for 10 years. During this period, our own market is in America. HIGHTEN INDUSTRIAL CORP.

LED, Acrylic, PMMA, Lamps, Lighting Accessories, Acrylic/PC Pipes, Tubes, Rods, and Profiles, Fiberoptic Lamps, Laser Marking

Highten Industries Corporation established in 1989 manufacturing high quality extrusion plastic products in Taiwan and set the second factory in China in 1996 named Ying Long Plastic Products Co., Ltd. In the meantime, we added injection department, to support Taiwanese base lighting and furniture manufacturers at beginning. Now we continue to be a leading supplier of extrusion of PMMA, PC tubing, solid rods, profile lighting diffuser and injection decoration accessories in China today. In order to confirm with local government regulation, we establish another name as Kai Tai Metal and Plastic Products Co., Ltd. For concentrating China local market development in 2002. Please contact our head office in Taipei Taiwan for fast reply without missing. Through the years, Highten's experience and products knowledge has enable them to deve ...

Generate more power for your business with the newest styles and the latest technology at the region's leading trade fair for lighting products. With more than 2,550 quality exhibitors from all over the world expected at **HKTDC Hong Kong International Lighting Fair (Autumn Edition) 2016**, 27-30 Oct, buyers will be spoilt for choice. More than 38,000 buyers from 138 countries and regions visited the 2015 fair.

The fair's downtown location, Hong Kong Convention and Exhibition Centre (HKCEC) in Wan Chai, places buyers in the heart of Hong Kong's bustling commercial and entertainment district.

**Light up
Your Future
with Smart
Choices**

Illuminating the possibilities

With so much on offer, buyers will appreciate the thematic zones which optimise sourcing, including **LED & Green Lighting Zone**, **Hall of Aurora**, **Commercial Lighting Zone**, **Smart Lighting & Solutions Zone**, **Household Lighting**, **Avenue of Inspiration** and etc.

More value in concurrent events

2016 sees the first edition of HKTDC Hong Kong International Outdoor and Tech Light Expo, destined to be a world-leading source of outdoor lighting in particular. Exhibits cover **Outdoor Lighting**, **Lighting Accessories**, **Parts and Components**, **Professional and Industrial Lighting**, and **Advertising Lighting**. The two fairs – Autumn Lighting Fair 2016 and Outdoor and Tech Light Expo 2016 – create the world's leading marketplace for lighting products.

Outdoor and Tech Light Expo is held at AsiaWorld-Expo (AWE), alongside **HKTDC Hong Kong International Building and Hardware Fair 2016**, and **Eco Expo Asia 2016**, both scheduled for 26-29 Oct. Fairs at both venues (HKCEC and AWE) are served by a complimentary shuttle bus service.

Value-added Activities at the Fair

The fairs' seminar programme is designed to benefit participants by updating knowledge in different areas such as style trends, market developments and new technology. And with such a large international gathering, the fairs are ideal for networking at the various social functions.

HKTDC offers exclusive incentive for first-time overseas buyers

For enquiries, please contact Ms Emily To on tel: (852) 2240 4235, or email: hklighting.visitor@hktdc.org
