<http://m.cens.com/s/aximcom>

Axim Communications Inc. focuses on sales of own brand network products in global markets. Technology is our core competitiveness, and our exclusive DBM Engine has earned us "Best Choice Award" by Computex and "Outstanding IT Application Product Award" in 2008. In addition to typical Internet products, we also focus on stability, quality and performance.

4G/3G 11N Mini Smartphone Router

TOGOBOX 8-in-1 Personal Portable Cloud Server

4G/3G Failover Protection Gigabit Server
