RUEY CHANG PRECISE FACTORY

Tel: 886-4-2335-4156
Fax: 886-4-2335-4303
<http://m.cens.com/s/taiwan-rc>

The Ruey Chang, which is in the Tai-Chun County, was established in the year of 1974. It is the first company which has professional factory for manufacturing pneumatic screwdriver and hardware tools. Totally we do have only 30 people for our own independent departments such as manufacture, quality control, property, business, manage, and so on. Under the board chairman of Mr. Lee, every person will serve each customer professionally and conscientiously.
