<http://m.cens.com/s/rexon>

Founded in Taichung, Taiwan in 1973, and became listed in 1995 and ISO9001-certified in 1996, we have been working hard for 40 years to develop new designs, manufacturing and sales capabilities to offer all-round service. Thus, we are highly-reputed in Japan and many other Asian countries, the U.S., Canada, and Europe as a leading power tool manufacturer.
