<http://m.cens.com/s/junsing>

Founded in 1994 by our president Mr. Xu, Jun Sing Enterprise was initially a maker of broaching machines in 1982, but diversified into broached products in 1989 backed by know-how in broacher fabrication, currently a contractor of broaching and associated processing service. Coping with fierce market competition, we focus on R&D to consistently ... [more]
