

Product Name: 4 in 1 Battery Charger

Features:

- . Isolation system
- . Soft-start to reduce in-rush current
- . Output short circuit protection
- . Maximum current restriction
- . Minimum output ripple current
- . Minimum standby current
- . Over-voltage protection
- . Thermal fan auto speed control

|  |  |       |       |       |  |  |  |
|--|--|-------|-------|-------|--|--|--|
| <b>Input Voltage</b>                       | 100V / 220V,<br>2 Step Switch ( 90 ~ 130Vac / 200 ~ 240Vac ) |       |       |       |  |  |  |
| <b>Input Frequency</b>                     | 50/ 60Hz   |       |       |       |  |  |  |
| <b>Current (Without Load)</b>              | < 0.1A   |       |       |       |  |  |  |
| <b>Maximum Output Current</b>              | < 15A ( under )  |       |       |       |  |  |  |
| <b>Maximum Efficiency in Maxi. Power</b>   | > 80% ( above )  |       |       |       |  |  |  |
| <b>Output Voltage</b>                      | 12V  | 24V   | 36V   | 48V   |  |  |  |
| <b>Maximum Ampere Imax</b>                 | 30A  | 30A   | 25A   | 15A   |  |  |  |
| <b>Maximum Output Charging Power</b>       | 450W   | 900W  | 1000W | 900W  |  |  |  |
| <b>Average Charging Voltage ( Vblk )</b>   | 14.7V  | 29.4V | 44.1V | 58.8V |  |  |  |
| <b>Floating Charging Voltage ( Vflit )</b> | 13.33V   | 26.6V | 39.9V | 53.2V |  |  |  |
| <b>Protection Function</b>                 | <b>Short Circuit Protection</b>                              | OK    |       |       |  |  |  |
|  | <b>Reverse Connection Protection</b>                         | OK    |       |       |  |  |  |
|  | <b>Over Thermal Protection</b>                               | OK    |       |       |  |  |  |
| <b>Voltage / Current Precision</b>         | < 5%   |       |       |       |  |  |  |
| <b>The Longest Floating Charging Time</b>  | No Limitation  |       |       |       |  |  |  |
| <b>Operating Ambiance Thermo</b>           | In Full Load : - 20 ~ 60°C                                   |       |       |       |  |  |  |
| <b>Operating Ambiance Humidity</b>         | Maximum 95% RV , Not Condensing                              |       |       |       |  |  |  |
| <b>Cool System</b>                         | Automatic adjust Fan according to inner thermo               |       |       |       |  |  |  |
| <b>Average Thermo in Housing</b>           | < 70°C   |       |       |       |  |  |  |
| <b>Dimensions</b>                          | 300 * 223 * 101 mm Maximum                                   |       |       |       |  |  |  |
| <b>Weight</b>                              | 4.5 Kg   |       |       |       |  |  |  |
