Established in 1985, **Tai Cheer Industrial Co.** initially generated ballbearing slide roll forming machines, and in 1993 became in the production of ball bearing drawer slides. With experience in the industry for more than 30 years, the company is now able to offer high-end quality products to its clients.

Today, **Tai Cheer** has three manufacturing plants in central Taiwan, with two located in Huwei and Tuku township of Yunlin County and one in Tastun of Changhua County. The company supplies slide loading light-duty, medium-duty and heavy-duty ball bearing drawer slides, all available in two types—full extension and 3/4 extension, mainly for furniture items, OA furniture, tool cars, white goods, warehousing equipment, medical instruments and many others.

Tai Cheer has been ISO 9001:2015 and ISO 14001:2015 certified and **Tai Cheer** now operators three spacious production factories in Taiwan's central counties of Yunlin and Changhua with overall floorage of over 22,000 square meters, its plants have a total of 100 production lines, turning out quality products to meet the demand of customers. The consistent product quality and punctual delivery has been highly recognized by many renowned furniture manufacturers in Europe and the United States.

The company supplies its products mainly on an **OEM, ODM, or OBM** basis, and welcomes special orders with special customer specifications.
