

# WP050XJMR M5 WATERTIGHT CABLE JACK FOR MOLDING

SECTION A-A

## SPECIFICATION

| Part No.              | WP0503JMR                   | WP0504JMR |
|-----------------------|-----------------------------|-----------|
| Number of contacts    | 3P                          | 4P        |
| Locking system        | Screw locking (M5x0.5P)     |           |
| Termination           | Solder                      |           |
| Wire Gauge            | 26AWG                       |           |
| Degree of Protection  | IP67                        |           |
| Upper Temperature     | 85°C                        |           |
| Lower Temperature     | -20°C                       |           |
| Rated Voltage         | 60V                         |           |
| Rated current(40°C)   | 1A                          |           |
| Contact Resistance    | $\leq 3m\Omega$             |           |
| Material of contact   | Brass ( Gold plated)        |           |
| Material of Housing   | PUR                         |           |
| Material of screw cap | Brass (Satin Nickel plated) |           |
| Material of O-Ring    | NBR                         |           |
